Important note: These services are to be arranged for through Tara or Stacie only, approaching the staff individually to perform these tasks will jeopardize their jobs as we bill for these services and need to keep track of them, offering "side-work" to our employees is not tolerated. Tipping is unnecessary as well.

There are those other little extras that we do not mind taking care of for you and your horse to save you multiple trips to the barn during those really hot and really cold (and really wet) days. Don't worry, we've taken care of these and they're on the house.

Fly Spray Application	FREE
Fly mask application	FREE
Bell Boots for Turnout	FREE
Splint boots for Turnout	FREE
Hosing off sweaty horse from Turnout	FREE
Handwalking/lunging if paddocks are flooded	FREE
Blanketing/Sheeting in cold temperatures	FREE

** The labor is free however you need to supply the items of your preference and have them accessible to the staff for us to take care of your horse to your specifications.*
